

Husk Nashville's beverage program is rooted in intention and craft. Our wines are thoughtfully selected from producers who prioritize responsible vineyard and cellar practices, favoring small, expressive farms over volume. Our cocktail program evolves with the seasons, inspired by the same ingredients and sensibilities found in the kitchen, never lingering long enough to grow familiar. Complementing the list is one of the South's most compelling whiskey programs, highlighted by an exceptional collection of single barrel selections, rare and one-of-a-kind expressions that offer a singular opportunity to experience American whiskey at its most distinctive.
